

## Marokkoradler

Dienstag, 6. März 2007

In den letzten Jahren habe ich reihenweise nette Kontakte mit anderen Marokkofahrern gehabt! Von E-mail-Korrespondenz über Telefonate bis hin zu persönlichem Kennenlernen reicht das Spektrum.

Viele meiner Tourenideen sind auch aus Tipps anderer entstanden, so dass ich hier die Menschen vorstellen möchte, die in gewisser Weise an der Gestaltung dieser Seite mitschuldig sind...

Leider sind mit der Neuauflage der Michelin auch die offenbar neuen Bezeichnungen bzw. Nummerierungen übernommen worden. Damit gelten die hier angegebenen Streckenbezeichnungen nur für Kartenaufgaben vor Januar 2003!!!!

Deine Angaben fehlen hier noch? Schreib eine Mail!
